# Teaching Knowledge Test: CLIL

## Content and language integrated learning

---

TKT: CLIL is a test of professional knowledge of concepts related to a CLIL approach. It is for English language teachers and also content teachers who use English as a medium for teaching their curriculum subject(s).

TKT: CLIL consists of two parts.

**Part 1 Knowledge of CLIL and Principles of CLIL focuses on candidates' knowledge of**

- aims of and rationale for CLIL
- language across the curriculum
- communication skills across the curriculum
- cognitive skills across the curriculum
- learning skills across the curriculum

**Part 2 Lesson Preparation focuses on candidates' knowledge of**

- planning a lesson and a series of lessons
- language demands of subject content and accompanying tasks
- resources, including multimedia and visual organisers
- materials selection and adaptation
- activity types

**Lesson Delivery focuses on candidates' knowledge of**

- classroom language
- scaffolding content and language learning
- methods to help students develop learning strategies
- consolidating learning and differentiation

**Assessment focuses on candidates' knowledge of**

- focus of assessment
- types of assessment
- support strategies for assessment

**Performance bands**

TKT: CLIL results are reported in four bands. There is no pass/fail. A typical candidate at this level demonstrates;

- Band 1** limited knowledge of TKT: CLIL content areas  
**Band 2** basic but systematic knowledge of TKT: CLIL content areas  
**Band 3** breadth and depth of knowledge of TKT: CLIL content areas  
**Band 4** extensive knowledge of TKT: CLIL content areas
