

## December 1st – World AIDS Day

An event titled 'Choose the Right Path' was held in university dormitories. Specialists from the regional HIV prevention center participated in the event. They provided students with information about the spread of HIV in Kazakhstan and worldwide, the epidemiological situation, and the social protection of people living with HIV. Additionally, the topics of stigma and discrimination were discussed.

The main goals of the event:

- To provide young people with accurate and reliable information about HIV;
- To teach safe behavioral practices;
- To promote respect for the rights of people living with HIV.

At the end of the event, a Q&A session was held with the students for feedback and discussion.
